

7th Annual Re-Purposed Doodad Sculpture Competition

Competition Guidelines *(revised 08/22/17)*

BACKGROUND

Hillsborough County Public Schools continues their partnership with the Tampa Regional Artists to provide K-12 students in public, private, charter or homeschool with the opportunity to recycle and re-purpose an object! Starting in 2011, plastic, street globes from the Horizon Bay at Hyde Park assisted living retirement community were re-purposed by Hillsborough County students, and transformed into creative sculptures. This tradition lives on!
